**GOODNIGHT,**

**NOBODY**

**(2008)**

for flute, vibraphone,  
violin, and violoncello

**UNSAFE BULL MUSIC**

### **Goodnight, Nobody - program notes**

The mood of the piece is quiet and contemplative which is in stark contrast to the heavy and aggressive work I started composing for this instrumentation. I've been finding lately that my music is tending towards soft, slow, and spare sounds instead of raucous cacophony. The title comes from the most unusual line in the children's book *Goodnight Moon*.
